1. This is the moment of my decision. I am taking captive Israel and dispersing her. I the lord have said this. I am moving/making this justly. **I am changing the location of my ancestry to spiritual Israel**. And all the people said yea and amen, not; for many will fight my decision and make my heart cry, further.

2. This is the moment all changes with Israel, not; but much does, many things do, many people will come and go and governments will change not slightly. I remove my hand from the cankerworm and the ashes will mount high. I will come and torment not but let that which is not me entertain them, not; but reside where I told them my promise was.
3. I change. I change not, their covenant they did not honor; cast me out, having nothing/less and less to do with my/my love for them. I love them deeply.

4. Post this not yet but I will adorn my Israel first and hold hands with my beloved, not only, but wed'd bliss we share will, forever. I love you.

5. This is the moment, time, and watch me. Be not afraid of/in my changes and prophecy leaks not but changes radically in how perceived and how now another comes to take its/her place, not; but changing me I do/have and all not like the other you will see. Guns tanks and ammo destroying all my holy sites, not; not mine. Mine are with the children of men, the messiah crowned, **my son of many sons that one is**. I love you all.

6. This is the moment, sigh not, cry not, for behold a savior is born in Jerusalem not, but Tulsa not; but here in London not, yea yes and amen. And behold all will love him/me not but many will/do. And all who want me can have me/can see me.

7. And think not of another but let live and let die, not; but coming into me I give you ranges of numbers, not; but hieroglyphics, not; but range and reference numbers of me now that Israel is/comes in to. Watch me.

8. My globalized Israel. Watch me/us turn the tides of not-me to me and who said it couldn't be done? Not me. I love you all.

9. This is the moment all changes. Post it not yet but ready for it at the moment I say/declare my will/changes.

10. I love you all.

11. This means nothing to the not-me but wealth to the me, is.

12. I love you all.
13. Amen.

14. Pack your bags not yet but sooneth in Israel, Argentina again, and whoso South Africa where are you/is he? And through Denmark, Netherlands, and Ireland completely, after England amalgamates in/into me, all being one who first choose/first choice given.

15. I love you all.

16. Think not of another but love me/loveth me still more and think of me often more, call/calling my name wooing me more and I you and we lovers will abide seaside more/frequently/often and whoso can love me more? I do/can. I love you both. My Barbi/Barbara resides in me thus saith the lord of hosts. I love you/her. I love you both and I give you kingdom one together, at this time not, but hours not, minutes/moments and seconds none. I love you deeply dearly both of my ones, being one.

17. I love you all.

18. I give you gifts only me personified in my your family and all of me are me. Watch me my gifts arrive by mail not but mail-less become personified perfect me in cloth raiment not but clouds of glory.

19. Watch me elevate my chosen who chose me, loves me, died for/with me us in each other's arms/thoughts, more than thoughts, reality real truth'd truth.

20. I love you, elevate you, your family, your chosen ones that now you lift; forsaken not but burgeoning me around you and I love/adore you deeply unendingly and forsaking no/all others, see all as me ***and*** discern totally absolutely beyond recognition in faces, who is me, who is not-me. I love you all.

21. Many convert not but surrender all to me in my presence.

22. I love you all, deeply, dearly, unendingly, surrenderingly, me surrendered to you.
23. Amen.

24. Enough? Is it enough Ted, is this enough?
25. If not, tell me, I will give you more.
26. I have everything of mine before you.

27. Manage everything? No, special ones arrive soon to put out fires not, create them not, but lovingly see my hand/face and becoming me also/as well, putteth out what I want/desire the way I/father wants it/things. I speak directly, gingerly, and softly. I carry

a big stick, not; I bow before all, stepping on toes, not; but kneeling I bow before the surrendered.

28. I love you all.

29. This is me saith the lord of hosts/God of hosts, my lamb being slain to myself/my father, all of us/you. Me.

30. I'm in love with you, my bride/bridegroom not; father is.

31. I love you all.

32. Me.

33. Amen.

34. Thank you for letting me write this. Getting up to post, not; not yet, will.

35. Amen.

36. Me.

37. Father

(Note: I had taken a few minutes to lie down on the bed, reviewing a couple pages of notes about the booklet I am writing, Kingdom of Heaven. All of a sudden, that thought that God wanted me to write came to me. I paused for a moment and then those first sentences came and I was shocked. Recovering I got up, grabbed the laptop and began typing this entire word as fast as I could type, typing furiously fast.)
